

Santa Sacks

How it works

Our new personalised Santa sacks are a great festive gift for children this Christmas. New for 2020 this project is super simple to organise and is a great new way to raise funds for your school/PTA. You can set up your project today in just a few quick and easy steps.

- Register online
- Set up your santa sack project in your online account
- As part of the project set up you will set your prices and select an order deadline date
- Upon completion of your project set up you will be sent a link to your online shop, you just need to share this link with parents so that they can place their orders online.
- Your project is now all set up and ready to start taking orders
- Parents personalise, order and pay for the sacks online. Sacks are **DELIVERED DIRECT TO PARENTS**, so there's no distribution for PTAs to perform either!
- Orders take 10 working days to print and despatch.
- After your online shop has closed and all orders have been delivered we will issue your fundraising cheque to you.

All orders are placed and paid for online by the parents.

Parents will use the online editor to personalise the Santa Sacks with their child's name.

THE PRICES FOR 2020 ARE:
